Dear Supporter:

On behalf of the clients, volunteers and staff of the Calgary Inter-Faith Food Bank Society, please accept our sincere thanks and appreciation for your donation of 200 lbs of mixed food.

For thousands of people in Calgary putting food on the table is a struggle. Last year 124,713 Calgarians came to the Food Bank to receive Emergency Food Hampers. 41% were children. Thank you for choosing to address their struggle through the Calgary Food Bank. Your support means we can provide quality, nutritious food to those who need it.

Thanks to your support children in our city will have the opportunity to go to school, play and learn well because they have eaten a proper breakfast. Their parents can go to work with energy and hope, and without the stress of wondering what they will put on the table at dinner time. All around our city there are individuals and families who will have a better, healthier and more fulfilling day thanks to your donation.

For more information on how your donation is making a difference in the lives of so many Calgarians please visit our website at www.calgaryfoodbank.com. You are always welcome to come in for a tour of the Food Bank to see for yourself the wonderful programs you support. Please call for more information or to volunteer.

On behalf of everyone at the Food Bank, especially our clients, thank you!

Sincerely,

Monica Brinck
Development Coordinator - Organizational Giving

Your support is greatly appreciated!
